Carousel Washer

Manual/Automatic Rotary Table Tray Washing Machines

Carousel Automatic Rotary Table Washing Machine

Operation:

Trays, bowls and utensils are placed directly on the turntable surface.

As the turntable slowly rotates, the items are carried through the successive stages of high pressure hot re-circulated detergent wash and hot fresh water rinse.

Based on the rotating table principle, the versatile Carousel automatic washing machine, washes and rinses all types of trays, containers and utensils.

Operated by one person, it is the complete universal washing machine, representing a major step forward in economic and hygienic cleaning.

Also available:
Bin Washers
Rack Washers,
Conveyor Washers
and Cabinet Washers
